All fence applications shall be accompanied with a set of drawings that clearly depict the complete installation.

In some cases, a fence installation may require a Zoning Board of Adjustment hearing because of neighborhood or zoning requirements in mixed use districts.

All fences' applications are reviewed on an individual basis and permitted according to size, type and use. Commercial fences are based at fifteen cents per lineal foot with a minimum of \$50.00 per permit location.

Residential Fence Permits up to 250 lineal feet are set at a flat rate of \$35.00
